

# THE ADDED EXTRA

Bespoke Event Hire

We have put together a package that promises to make any party even more **FANTASTIC!**

## OUR PARTY PACKAGE INCLUDES:

### Selfie Mirror

The mirror and props are always the main attraction and great fun. The photos are printed out there and then for your guests to take away. We take care of the 'technical stuff' as the mirror is manned during the duration of your party. We even make sure we catch your good side.

### 4ft LED Letters

Up to 8 letters are included in the package, with popular choices being 'LET'S PARTY', 'DANCE' or 'XMAS'.

We can even spell out your company name and change the bulb colours to match your logo.

### Sweetie Cart

The cart can be decorated in your company colours or be Christmas themed. We provide enough sweets to cater for 250 people and we will always try to provide the boss's favorites! Bespoke sweet bags and scoops included.

All for only **£795** inc VAT
